The Five Finger Prayer

1. Thumb: Those closest to you, your family.
2. Pointer: Those that point you in the right direction (teachers, doctors, church teachers) ask for wisdom and support.
3. Index: (tallest) Those that lead us (government) ask for guidance and wisdom
4. Ring: (weakest) Those that are weak, in trouble or in pain. We cannot pray too much for them.
5. Pinkie: (smallest) Our prayers for ourselves and our own needs

Button Prayer

1. Feel the hardness of the button. Think about people going through hard times and ask God to help them.
2. Buttons are used to fasten to clothes together. Ask God to bring people together who have fallen out and moved apart from each other. Pray that he will bring Peace.
3. Look at your button and see how many holes are in it. Think of that number of things you would like to say thank you to God for and say Thank you prayers.
4. Look at the color of the button and say thank you to God for something that is that color.
5. Remember that not all buttons are the same. Thank God for making everyone different and giving us different gifts. Pray people will learn to use their gifts.
